9 vs.

10 UNITE HERE BARTENDERS UNION
11 LOCAL 165,

12 Defendant.

Case No. 2:15-cv-00182-GMN-GWF

ORDER

13 This matter is before the Court on Defendant's Motion for Exception of Attendance
14 Requirement (#22), filed on September 25, 2015. No response has been filed, and the time to do so
15 has passed.

16 Defendant moves to exempt its insurance carrier from attendance at the upcoming
17 settlement conference. The carrier is located in Silver Spring, Maryland, and would have to send a
18 representative from that location to attend the conference. Defendant will instead be represented by
19 counsel with binding settlement authority. Defendant represents that the insurance carrier's
20 absence will not impact the settlement in any way. Accordingly,

21 **IT IS HEREBY ORDERED** that Defendant's Motion for Exception of Attendance
22 Requirement (#22) is **granted**.

23 **DATED** this 13th day of October, 2015.
